IMPACT REPORT

Improving the Capacity of your Direct Support Workforce

Since 2018, the GoodLife U research team has analyzed the outcomes of implementing its labor strategies at 27 organizations across 15 states, potentially impacting over 340 homes. Imagine the impact our approach could have on your organization.

COULD RESULTS LIKE THIS HELP YOU?

DECREASED

DSP CAPACITY TO WORK EXTRA INCREASED BY

24,877 SHIFTS ANNUALLY*

*while still guaranteeing at least 2 days off per week

INCREASED
MANAGER SATISFACTION

and increased applicant pipeline

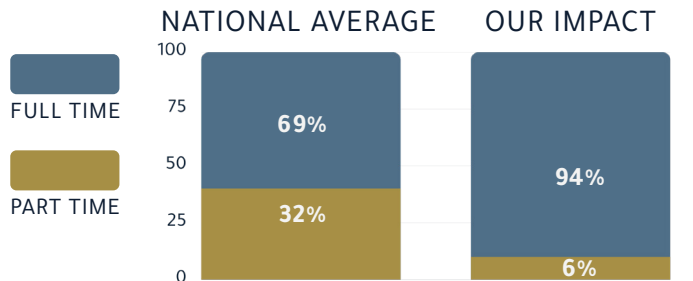

RAISED THE HOURLY DSP WAGE BY

\$3.08*

WITHIN EXISTING PAYROLL BUDGET while still saving annual payroll costs by

\$350,000.00

*Including possible PTO savings, which accounts for approximately \$0.67 per hour in most cases!

REDUCED RELIANCE ON PART-TIME POSITIONS
