

# MY APPLICATION CHECKLIST FOR GoodLife's Day Services

Day Services are adult programs and activities that provides meaningful opportunities designed to enrich the lives of individuals with intellectual or developmental disabilities.

There are several different Day Service options across our service locations-Johnson County, Douglas County, Midnight Farm, Iola, and Wichita-so contact us to see what options may be a good fit for you or your loved one.

## Tour our Day Services Center

01

This is one of the most important and time-consuming parts of the application process. Everyone needs to feel comfortable with the day service setting and we like to make sure that the recommended day option is a good fit.

02

## Complete and Submit your Application

Make sure to fill out the full application and submit all the required documentation. Getting the most accurate information is important so that we can make sure we're offering the best and most relevant day service options for the applicant.

## Participate in informal assessment meetings

03

We'll hold an informal assessment between our day service team, our behavioral analysts, and the applicant's team. We like to make sure each of our day service clients is set up for success so it's important for us to get to know the applicant. We'll also complete a medical file review to assess what the applicant's health needs are.

04

## Begin your transition meetings with GoodLife Staff

This is where we meet with the applicant and/or their guardian to discuss the personalized schedules for day services. We'll review the documents together and discuss any transportation or support need details. Then, we'll hold an admission/transition meeting to finalize plans to begin services.
